FRANCE**CHAMPAGNE****Henri Giraud** (*exclusive for private customers)

The Giraud family have extensive hectares of Grand Cru parcels in the prestigious vineyards of Ay in Champagne. Henri Giraud has been a family run business for five generations, with their current owner, Claude Giraud.

The Giraud house is one of the few houses that conduct primary fermentations in oak. The oak barrels are locally sourced from the Argonne forest, which used to be the sole source of oak used by winemakers in Champagne. Without any stainless steel and with the minimum of interventions and sulphur, the wines truly reflect the characteristic of each grape varieties and the terroir of the vineyard. The signature champagne of Henri Giraud "Argonne" is today the name of the house's iconic cuvee. With no compromise, the Giraud house creates great wines that concentrate and transpose the energy of the Ay Grand Cru terroir.

CASTILLON - CÔTES DE BORDEAUX

L'Aurage

Exclusive

L'Aurage was created with the 2007 vintage, a new property owned and run by Louis Mitjavile. Louis, hugely talented, had learned his trade whilst working for his father François Mitjavile, the iconic trailblazer at Tertre Roteboeuf in St Emilion and Roc de Cambes in the Côtes de Bourg. Louis had forged a remarkable reputation in his own right, consulting widely, before he acquired this fabulous estate in the Côtes de Castillon, an appellation which borders St Emilion and enjoys the same clay/limestone soil as its esteemed neighbour. Louis wants to see opulence in his wines, rather than concentration, with balance being the overall objective. L'Aurage is a tremendous ambassador for the Côtes de Castillon appellation, sumptuous, elegant and long.

Roc de Cambes

Exclusive

Roc de Cambes is a jewel owned by François Mitjavile, highly renowned for Tertre Roteboeuf Grand Cru in St Emilion. This is his property in the Côtes de Bourg, a vineyard reminiscent of Tertre Roteboeuf, being as it is, a natural amphitheatre with a perfect aspect overlooking the Gironde River. It comprises fourteen hectares of old vines planted on the most highly reputed slope of the Côtes (les Croutes), where the heat of the sun on the slope is regulated by the effects of the estuary and cool clay/limestone soils. This makes for regular growth and wonderfully ripe, concentrated fruit.

The incredible Tertre Roteboeuf property lies 2km south-east of St Emilion. A scant 6 hectares in size, Tertre Roteboeuf's rise to fame from virtual obscurity has been meteoric. This turnaround was spearheaded by a unique individual, one François Mitjavile, aided and abetted by his wife Miloute, his son and daughter Louis and Nina. The result is now undisputedly regarded as one of Saint Emilion's greatest wines

Domaine Vincent Dampt

Exclusive

Vincent is the son of Daniel Dampt and grandson of Jean Defaix, both admired Chablis producers. Respectful of family tradition, Vincent is nonetheless determined to build his own reputation. Vincent is fiercely passionate about wine and the Chablis terroir, yet open to new ideas and methods in his pursuit of quality. Ever focused, Vincent enrolled himself in winemaking school aged just 14, then worked in France, notably with Olivier Leflaive in Burgundy, before heading to New Zealand's Marlborough region, an experience he calls mind expanding. Vincent's vines are planted on Chablis' quintessential Kimmeridgian soils. Now in his second decade of winemaking, Vincent owns two hectares of prime Chablis and Chablis 1er Cru vineyards around the village of Milly, some with 55 year-old vines. Styled to give pleasure, Vincent Dampt's steely, mineral wines are classic Chablis with the classic crushed shell profile of the appellation.

In the three decades since Olivier Leflaive was established, this Burgundy house has quietly forged an impressive reputation. The standard, consistency and depth of Olivier Leflaive's wine range are bound to the relationships with 100 or so small growers, from whom Olivier Leflaive sources grapes. These relationships lie in the hands of Franck Grux and Philippe Grillet, who run the vineyards and cellars. For many years now Olivier Leflaive has made special wines exclusively for Corney & Barrow from particular vineyards to which we – customers and staff alike – have become loyal over time.

Domaine Gilles Jourdan

Exclusive

Gilles Jourdan established his eponymous domaine in 1998, having looked after the family holdings since 1970, whilst making wine at Bichot in Beaune. The domaine's cellar is located in the quiet village of Corgoloin, on the eastern side of the Route Nationale. There are just five hectares, including a monopole, La Robignotte, which is a blue marl slope, adjacent to the small track which winds its way up into the Hautes-Côtes. Gilles has 40 pickers to call upon at harvest. He tends to harvest later than his neighbours, as demanded by his older, low production vines.

FRANCE**BURGUNDY****Domaine François Carillon**

François Carillon began working with his father Louis Carillon in 1988. Fascinated, from the outset, by the vines and their environment, the vineyard became François' main focus and remains paramount today, providing optimal ingredients in the cellar. A viticulturalist of the highest quality, he believes passionately that the quality of wine is determined in the vineyard.

The 6.5 hectares currently in production are farmed to lutte intégrée principles; that is organically, but with the option to treat the vines if the circumstances demand it. The estate currently spans Chassagne-Montrachet Premiers Crus, Puligny Premiers Crus Village Puligny Montrachet and generic Bourgogne. François dismisses his work in the cellar as "traditional" – it's impeccable, the use of oak perfectly balanced.

Domaine des Varoilles

Exclusive

The arrival of Gilbert Hammel in 1990 marked a turning point for the Domaine. Gilbert, of Swiss descent, has made Domaine des Varoilles a go-to producer of a succulent, rounded and supremely approachable style of Gevrey-Chambertin. The Varoilles holdings include two very special premiers crus monopoles, La Romanée and Clos des Varoilles, monopole indicating that the vineyards are in the sole property of the Domaine. In fact, the name Domaine des Varoilles comes, originally, from a premier cru monopole first planted in the 12th century. Domaine des Varoilles combines a number of spectacular vineyards from village to grand cru level.

Exclusive

Domaine Labruyère is the oldest estate in Moulin-à-Vent, dating back to 1850. The original ten hectares have been added to over the years. The most significant acquisition was that of Le Clos du Moulin-à-Vent, the appellation's only monopole, situated beside the iconic windmill. Since 2008, the property has been run by Edouard Labruyère, the seventh generation. Edouard grew up here and now works alongside winemaker Nadine Gublin and cellar master Michel Rovere. Five wines make up the core of the domaine: Coeur de Terroir, Champ de Cour (arguably one of the greatest terroirs of Beaujolais and the only one to be 100% wholebunch vinified), Le Carquelin and Le Clos du Moulin-à-Vent, with a new addition last year, a regional Bourgogne Gamay.

Tardieu-Laurent

Exclusive

Michel Tardieu is a micro négociant-éleveur, based in Lourmarin, Provence, producing wines from the Northern and Southern Rhone. He and his oenologist son Bastien buy wines in their raw, fermented state. Top quality ingredients are essential and critical to Michel's and Bastien's work is the building of long-term, mutually beneficial relationships with a network of producers, who own specific, top quality parcels, almost always of low-yielding old vines. They know by heart both the vineyards and the specific parcels within, which are of interest to them. The resulting wines generally undergo malolactic fermentation overseen by Michel and Bastien as are both the maturation and the blending. The naturally-restricted volumes result in increased complexity and intensity - world-class wines which thoroughly deserve their international acclaim.

RHÔNE

Domaine Gourt de Mautens**Exclusive**

Several generations of Jérôme Bressy's family had cultivated vines here but sold their grapes to the local co-operative. In 1989, Jérôme's father Yves made a life-changing step, converting his vineyard holdings to organic farming - a massive investment given that he would continue selling to the co-op, with no premium. His extraordinary prescience delivered a healthy, balanced vineyard to Jérôme, the first member of this family of viticulturists to study winemaking.

The winery is now certified organic and biodynamic. Jérôme is very particular about his wines' style and, with changes to the appellation laws, his vision was at odds with the prescribed varieties allowed. Faced with turning his back on his own style or accepting he could not have Rasteau emblazoned on his labels, he elected the latter course. The wines come from within Rasteau but are declassified in order to accommodate his preferred blends.

Domaine du Pelican

Exclusive

Since its birth in Montigny-lès-Arsures in 2012, Domaine du Pélican has rapidly established itself as one of Jura's leading lights, producing exceptional biodynamic wines that mix finesse with thrilling Jurassien character. The project was born in Taillevent Paris where Guillaume d'Angerville, proprietor of the great Volnay estate Marquis d'Angerville, was served blind a bottle of Jura Chardonnay from the 2005 vintage. Struck by its quality, Guillaume was taken a back to discover the wine was not from Meursault, let alone anywhere in the Côte d'Or.

Cecilia Beretta

Exclusive

The Cecilia Beretta estate was founded in the 1980s, just to the east of the famous wine village of Valpolicella. It was named after the 17th century agronomist and poet Count Giuseppe Beretta, who built the beautiful Villa in Mizzole in the heart of the estate, now surrounded by vineyards. The local Pasqua family had owned the surrounding vineyards since the 1940s, but a renewed drive for quality and a concentration on modern oenological technologies became a priority in the 1980s with competition from the 'New World'; traditional winemaking countries like Italy were forced to up their game. Thus the quality-focused Cecilia Beretta winery was born. Today it is Carlo's daughter Cecilia (most appropriately named!) who is global ambassador for the Cecilia Beretta estate and wines.

PIEDMONT

Nervi

The history of Azienda Vitivinicola Nervi dates back more than 100 years. Torre della Castelle, that still stands prominently above the town, was built to guard the vineyards. The Valferana vineyard, more about which below, can be traced back to 1242 in Gattinara's municipal deeds.

A series of seismic events has given the area of Gattinara a unique soil structure. 280 million years ago, volcanic rocks were created when the Valsesia super-volcano erupted. There are currently 28 hectares (ha) under vine, across four plots: Molsino, Valferana, Garavoglie and Casaccie. Pruning and harvesting at all sites is carried out by hand. Enrico Fileppo is the chief oenologist and has been with the winery since 1983. Roberto is now incredibly hands-on here, as one would expect.

Exclusive

Young, charming, receptive and brimming with energy, Giulia Negri describes herself as 'Barologirl.' One of Piedmont's rising stars, Giulia is the most recent generation to take the reins of a family estate stretching back 150 years. She is keen to forge her own path, whilst observing other small, maverick producers from around the world, keen to glean knowledge and experiment.

Serradenari, the crest of Barolo, presents views over almost all of Barolo, the vines surrounded by prolific truffle forests. Giulia pays tribute to her beloved Burgundy, planting Chardonnay and Pinot Noir near the forest. Nebbiolo inhabits warmer, sandy soils producing Barolo which Giulia views as a work of art, a "flagship in the winemaking world". Her wines become more polished year on year whilst retaining an innate honesty.

Tenuta di Biserno

It is impossible to separate the Biserno Estate from the man whose inspiration lies behind it, Marchese Lodovico Antinori, original founder of the Ornellaia estate.

Tenuta di Biserno is a 90-hectare estate situated in coastal western Tuscany, hidden amongst the hills of Bibbona in the Upper Maremma. The beautiful sweeping views across to the Tyrrhenian Sea, towards Corsica, are a constant reminder of its moderating coastal influence. The mineral rich soil of the Bibbona vineyards is planted exclusively, at Marchese Lodovico's behest, with well-suited Bordeaux varietals, producing three wines, Il Pino di Biserno, the eponymous Biserno and, very rarely, Lodovico.

Tenuta di Trinoro

Exclusive

Tenuta di Trinoro, in the south of Tuscany, is the brainchild of Andrea Franchetti. In his early years, Andrea had fallen in love with the wines and modus operandi of Bordeaux and there he learned of the importance of terroir. The understanding of Bordeaux which led him to start a vineyard from nothing but scrubby woodland in the Val d'Orcia, Southern Tuscany. There were no access roads and certainly no vines but that all seems to have had little bearing on Andrea's determination to produce wine on this site, from scratch, from Bordeaux varietals, in the main. Andrea knew instinctively that Trinoro would be a fabulous site both in its geographical positioning and in its soil, which is rich in marine deposits and, under his stewardship, so it has proved.

Tenuta di Passopisciaro**Exclusive**

Tenuta di Passopisciaro is under the control of Andrea Franchetti, an iconic producer, was first known for his Tuscan wine Tenuta di Trinoro.

At Trinoro, he created a vineyard, essentially from scratch, clearing rough woodland terracing and planting it – the entire works. Here, on Etna, his task has been more about resurrection rather than creation, bringing long-since abandoned vineyards back into production and, these vines are planted on the slopes of a very clearly live volcano! This strangely beautiful, totally arresting terroir presents a unique palette of aromatics to the winemaker.

SPAIN**RIOJA****Artadi****Exclusive**

Based in Laguardia, in Rioja Alavesa, Artadi has in recent years cemented its role in the region as a pioneer, leading the push for recognition of a concept of terroir. Artadi has come a long way since its establishment in 1985 by a group of 13 local vine growers as a cooperative. Artadi stands for respect for the region's traditions, both human and natural.

Artadi chose to leave the Rioja appellation in 2015. The single vineyard wines it has since released have made the case eloquently for the nuances which make up this highly intricate region. This rebellion against the local regulator is borne from a desire to showcase the region's typicity to best effect, unhampered by red tape and the marketing concerns of larger producers.

RIBERA DEL DUERO**Dominio de Pingus****Exclusive**

The pioneering estate from Danish-born, Bordeaux-trained Peter Sisseck. Dispatched to Spain in 1990, to the then obscure area, Ribera del Duero, he began work on a short-term project which, subsequently, enjoyed much praise – Hacienda Monasterio. A victim of his own success, Peter found himself in total charge. Hacienda Monasterio established, Peter Sisseck started to get very twitchy. Instinct, born of his Bordeaux experience, called him to seek another challenge. He sought out parcels of ancient vines, on perfectly exposed terroir, which he instinctively knew would produce something exciting, if in small quantities. The stage was set for the arrival of Pingus – a trailblazer which had the world at its feet from the outset.

Thanisch, Erben Thanisch, became one of the founder members of the Association of German Quality Wine Producers (VDP) in 1910. Sofia is the fourth woman to manage the estate. With two daughters, Juliane and Christina, the 12th generation look assured at some point in the future.

RHEINGAU

Schloss Schonborn

The family philosophy is pursuit of quality – indeed they were founder members of the Verband Deutscher Prädikats – und Qualitätsweingüter – VDP – the Association of German Quality Wine Estates. Schloss Schönborn now encompasses 50 hectares of vineyards, throughout the Rheingau, of which 91% is planted with Riesling. Average yields are kept low, resulting in wines with good concentration and real personality.

When Paul Graf Von Schönborn assumed the mantle of this great succession, after the death of his father in 1998, it was indubitably a challenge, yet one to which the estate has risen. The wines of Schloss Schönborn are extraordinarily versatile, offering diverse flavour profiles, from citrus and green apple through to the exotic; ideal for the world today, so open to the marriage of food and wine.

AUSTRALIA**ADELAIDE HILLS****The Lane Vineyards****Exclusive**

Set 450m high in the Adelaide Hills in South Australia, this boutique winery is the brainchild of well-known Aussie winemaker John Edwards. His long-held dream was to produce Australian wines with true elegance with the refined structure of Old World classics. The Lane vineyards are often 4 degrees cooler and, crucially, night-time temperatures can be even fresher. John Edwards' son Marty, a viticulturist has been managing The Lane since 2001. He has carried out extensive vineyard mapping to analyse soil types and structures, matching grape varieties to individual plots. Meticulous vineyard husbandry, traditional and modern winemaking techniques, experimentation with yeasts, fine lees and use of old and new French oak all play their part in creating wine quality. There are truly stunning, focused wines from an estate we believe to be one of Australia's future icons.

Elephant Hill is a leading light of the Hawke's Bay, forging a reputation for distinctive wines of timeless style and quality. Devotees of the Old World, this estate is one to watch. The story of Elephant Hill began in 2001, not with an elephant (though the founder's love of elephants inspired the name) but with a Jaguar – of the motoring kind.

Head Winemaker Steve Skinner and his team are renowned for their meticulous viticulture and winemaking, combining time-honoured methods and innovative technology. With vineyards in three contrasting sub-regions - coastal Te Awanga, Bridge Pa and the inland Gimblett Gravels – the team enjoys unrivalled access to grapes with distinctive personalities. Eradus

Exclusive

Har and Sophie Eradus emigrated from Holland to New Zealand in 1982, and decided to make wine on their retirement, some 20 years later. They looked around, found and bought what was to become the Eradus vineyard. Today there are twelve hectares of mainly Sauvignon Blanc and Pinot Noir vineyards, the most impressive of which are planted on undulating, stony terraces along the Awatere river valley. Closer to the ocean than much of the Marlborough wine region, the Awatere's warm days, cool nights and dry, sunny climate are key to the luminous flavour intensity, elegant minerality and fresh acidities of Eradus' distinctive wines. The Eradus estate is now run by son Michiel, whose affable, easy-going demeanour belies a fierce perfectionist focused on pushing every boundary in pursuit of quality and balance – the Eradus mantra.

CANTERBURY-WAIPARA

Muddy Water

The estate was established in 1993 to create 'a cleaner, purer place where wine isn't made to formula but grown and fermented to best reflect the vineyard and season'. Muddy Water is a direct translation of the Maori place name – Wai (water) Para (sediment). The Waipara wine region boasts ideal grape-growing conditions: drenched in sunlight and protected from cool sea breezes by coastal hills, its warm summers, luminous autumns and distinctive limestone soils give ripe grapes with intense flavours yet fine acidities. As the first certified organic winery in Canterbury, the vineyard and winery alike are run according to biodynamic principles. Muddy Water believe that their wines are a great expression of the region and try to interfere with this as little as possible, aiming to maximise wine quality and long-term sustainability.

Stonestreet Estate Vineyards**Exclusive**

Stonestreet Estate Vineyards is the story of a family's vision to defy the limits of California winegrowing. Jess Stonestreet Jackson and Barbara Banke established the estate in 1995, and their son Christopher Jackson and his wife Ariel continue the legacy — and the middle name “Stonestreet” has now been passed from father to son for three generations. Stonestreet is one of the most expansive and multi-faceted mountain vineyards in the world and produces a distinctive collection of single vineyard wines - complex Cabernet Sauvignon and Chardonnay.

The Jackson family acts as stewards of the land, caring for the 5,500 acre mountain estate that towers high above the Alexander Valley in the Mayacamas Mountain Range. The geological diversity of the mountain, confers a strong mineral characteristic in the fruit.

ARGENTINA**MENDOZA****Achaval-Ferrer****Exclusive**

Achaval Ferrer was founded by a group of Argentinian and Italian friends who loved wine and were determined to produce something outstanding – an aim encouraged by celebrated Italian oenologist Roberto Cipresso, one of the founding team. From the outset, the friends' ambition was decisive and bold; they would make a world-class wine in Argentina, in high altitude Mendoza.

The wines of Achaval Ferrer will continue to come from the same excruciatingly low-yielding, high altitude sites and from ancient, un-grafted vines. The goals are to achieve absolute quality, create a very pure expression of Malbec, and ensure vibrancy and freshness across all of the wines.

Ruca Malen**Exclusive**

Set up in 1998, Ruca Malen is the brainchild of Jean-Pierre Thibaud and Jacques-Louis de Montalembert. Friends and business partners who shared a love of wine and the wine trade, De Montalembert had worked extensively in Burgundy, while Thibaud was for years chairman of Bodegas Chandon in Argentina. Now retired, they have passed the reins to a long-standing team, who continue to uphold their values, producing high-quality still and sparkling wines in Mendoza.

The majority of Ruca Malen's vineyards are located in the Uco Valley's 'golden triangle' and the Luján de Cuyo areas. Planted 800-1,100m above sea level, the vines benefit from high-altitude UV light, held to promote the wines' unique fruit character, colour and structure. At the same time, cool night-time temperatures and a long, warm season prolong the ripening process, preserving fresh acidities and concentrating flavour.

SOUTH AFRICA**Nelson Estate**

Alan studied law and for years ran a successful practice in Cape Town, enabling him to buy the historic, run-down property in Paarl in 1987, that he subsequently renamed Nelson Estate. Alan's son Daniel, active in running the estate, and daughter Lisha, one of South Africa's brightest rising star winemakers. Her scientific background matched with a practical and passionate approach to winemaking ensures the production of top quality, handcrafted wines.

The quality and style of wines from Nelson Estate come partly from the complex granite-clay soils, and also from the cooling Atlantic breezes, mitigating South Africa's fierce summer heat and helping promote the delicate flavours.
