FRANCE**CHAMPAGNE****Champagne Valentin Leflaive**

Champagne Valentin Leflaive is the project of the Burgundian Olivier Leflaive, trying his knowledge of Chardonnay and Pinot Noir in another region. The first harvest was vintage 2012 and his partner at the time was Champagne Star Erick de Sousa. Today, Valentin Leflaive is an independent House with its own team, cellar and grape supply, with Olivier at the helm. The vineyards are in la Cote des Blancs, home ground of the Chardonnay grape.

Champagne JM Labruyère

Champagne J.M Labruyère is the fourth chapter in the great winemaking history of the Labruyère family. After taking the reins at the family estates in 2008, Edouard Labruyère decided to explore the Champagne vineyards. He believed that Champagne was a region with huge diversity of terroir, that in many cases was being obscured by the dominance of large houses and their insistence on “house style” rather than site expression. In 2012, Édouard purchased the 6.6 hectares estate, and named it after his ancestor Jean-Marie Labruyère who in 1850 founded Domaine Labruyère in Moulin-à-Vent and begun the winemaking legacy that has been passed down through seven generations.

FRANCE**CHAMPAGNE****Henri Giraud** (*exclusive for private customers)

The Giraud family have extensive hectares of Grand Cru parcels in the prestigious vineyards of Aÿ in Champagne. Henri Giraud has been a family run business for five generations, with their current owner, Claude Giraud.

The Giraud house is one of the few houses that conduct primary fermentations in oak. The oak barrels are locally sourced from the Argonne forest, which used to be the sole source of oak used by winemakers in Champagne. Without any stainless steel and with the minimum of interventions and sulphur, the wines truthfully reflect the characteristic of each grape varieties and the terroir of the vineyard. The signature champagne of Henri Giraud "Argonne" is today the name of the house's iconic cuvee. With no compromise, the Giraud house creates great wines that concentrate and transpose the energy of the Ay Grand Cru terroir.

FRANCE**BORDEAUX****Mitjavile****CASTILLON - CÔTES DE BORDEAUX****L'Aurage****Exclusive**

L'Aurage was created with the 2007 vintage, a new property owned and run by Louis Mitjavile. Louis, hugely talented, had learned his trade whilst working for his father François Mitjavile, the iconic trailblazer at Tertre Roteboeuf in St Emilion and Roc de Cambes in the Côtes de Bourg. Louis had forged a remarkable reputation in his own right, consulting widely, before he acquired this fabulous estate in the Côtes de Castillon, an appellation which borders St Emilion and enjoys the same clay/limestone soil as its esteemed neighbour. Louis wants to see opulence in his wines, rather than concentration, with balance being the overall objective. L'Aurage is a tremendous ambassador for the Côtes de Castillon appellation, sumptuous, elegant and long.

CÔTES DE BOURG**Roc de Cambes****Exclusive**

Roc de Cambes is a jewel owned by François Mitjavile, highly renowned for Tertre Roteboeuf Grand Cru in St Emilion. This is his property in the Côtes de Bourg, a vineyard reminiscent of Tertre Roteboeuf, being as it is, a natural amphitheatre with a perfect aspect overlooking the Gironde River. It comprises fourteen hectares of old vines planted on the most highly reputed slope of the Côtes (les Croutes), where the heat of the sun on the slope is regulated by the effects of the estuary and cool clay/limestone soils. This makes for regular growth and wonderfully ripe, concentrated fruit.

Christophe et Fils

Exclusive

Sebastien Christophe is a superstar in Chablis. He started his domaine with a small half hectare parcel of Petit Chablis from his family and made a run for it. After winemaking school he started to vinify this tiny parcel and has slowly acquired small parcels of village vineyards and a lot of Petit Chablis land. He also rents parcels that he farms entirely himself. Today, he has three premier crus on the right bank of the Serein river, Fourchaume, Mont de Milieu and Montée de Tonnerre.

"Sebastien Christophe's discreetly situated domaine, located outside the village of Fyé, is fast emerging as a fine source of pure, racy Chablis..." - William Kelley, Wine Advocate.

Marc-Emmanuel and Olivier Cyrot are the fourth winemaking generation of this family domaine. They own six hectares of vines across Pommard, Volnay, Santenay and Maranges. The cellars of Domaine Cyrot-Buthiau are dug into the side of a rocky escarpment, beside Pommard 1er Cru les Arvelets, the final wine below. The wines are harvested by hand, de-stemmed and cold-macerated before fermentation.

Domaine Michel Gaunoux

Exclusive

Domaine Michel Gaunoux was founded by Alexandre Gaunoux in 1875, and has been owned and managed by the family since then. The name of the estate is a tribute to Michel Gaunoux who passed in 1984. The domaine is now managed by his children with the support of his wife, in maintaining the traditions of the family. The estate has vineyards in three appellations: Corton, Pommard and Beaune. Deep and rich in style, they are one of the typical examples of red Burgundy – in terms of balance, and concentration they are rivalled by very few in the Côte. It doesn't release En Primeur, only when the wine is finished, bottled, and settled.

Domaine Michel Gaunoux is a traditional producer in its viticulture and winemaking process. Winemaker Alexandre Gaunoux, the son of Michel, has not changed his winemaking, which his father and grandfather taught. Combined with over 140 years of expertise and intelligence. Alexandre keeps the traditions and respects the terroir. This is the philosophy of the family.

Domaine Henri & Gilles Buisson

Exclusive

This is the story of eight generations of winegrowers who have been producing wine since 1758. The estate covers 19 hectares, including two Premier Cru and three Grand Cru plots. Gilles made the shift to organic farming with his father Henri in the 1970s, and his sons Franck and Frédéric took over the estate in 2009.

The Buisson family has been present in the village of Saint Romain in the Cote d'Or since the 12th century. In 1947, Henri and Marguerite Buisson decided to begin bottling their wine at the domaine and selling it under their own label. That is now the family tradition carried on in noble fashion by their son and two grandchildren, Franck and Frédéric.

The Buisson domaine is a fine source of terroir-expressive wines that offer outstanding value. The Henri & Gilles Buisson estate, certified organic since 2009, now works its entire vineyard biodynamically. A bias that responds to the deep values of the family: protecting the ecosystem, respecting the environment, preserving the character and originality of each climate so that it is expressed in each of their wines.

François Carillon began working with his father Louis Carillon in 1988. Fascinated, from the outset, by the vines and their environment, the vineyard became François' main focus and remains paramount today, providing optimal ingredients in the cellar. A viticulturalist of the highest quality, he believes passionately that the quality of wine is determined in the vineyard.

The 6.5 hectares currently in production are farmed to lutte intégrée principles; that is organically, but with the option to treat the vines if the circumstances demand it. The estate currently spans Chassagne-Montrachet Premiers Crus, Puligny Premiers Crus Village Puligny Montrachet and generic Bourgogne. François dismisses his work in the cellar as “traditional” – it's impeccable, the use of oak perfectly balanced.

Exclusive

In the three decades since Olivier Leflaive was established, this Burgundy house has quietly forged an impressive reputation. The standard, consistency and depth of Olivier Leflaive's wine range are bound to the relationships with 100 or so small growers, from whom Olivier Leflaive sources grapes. These relationships lie in the hands of Franck Grux and Philippe Grillet, who run the vineyards and cellars. For many years now Olivier Leflaive has made special wines exclusively for Corney & Barrow from particular vineyards to which we – customers and staff alike – have become loyal over time.

Domaine Jean-Marc Pillot

Exclusive

We know Jean-Marc Pillot through introduction by his cousin, François Carillon. Jean-Marc has been working at the estate since 1985 and manages it since 1991. He has since implemented several changes such as the construction of new facilities and he expanded the number of cultivated vineyards. He is now making wines together with his son, Antonin. The Pillot family makes wines with lean, fresh, and complex style. From the nearly 15 hectares of vineyards, the production of white wine is still dominant but almost half of it is dedicated to Pinot noir for the making of red wines, which is unusual for Chassagne-Montrachet. The vines in most parcels are between 25 and 50 years old but can reach 90 years old in some premier crus of Chassagne-Montrachet.

Domaine Labruyère is the oldest estate in Moulin-à-Vent, dating back to 1850. The original ten hectares have been added to over the years. The most significant acquisition was that of Le Clos du Moulin-à-Vent, the appellation's only monopole, situated beside the iconic windmill. Since 2008, the property has been run by Edouard Labruyère, the seventh generation. Edouard grew up here and now works alongside winemaker Nadine Gublin and cellar master Michel Rovere. Five wines make up the core of the domaine: Coeur de Terroir, Champ de Cour (arguably one of the greatest terroirs of Beaujolais and the only one to be 100% wholebunch vinified), Le Carquelin and Le Clos du Moulin-à-Vent, with a new addition last year, a regional Bourgogne Gamay.

Tardieu-Laurent

Exclusive

Michel Tardieu is a micro négociant-éleveur, based in Lourmarin, Provence, producing wines from the Northern and Southern Rhone. He and his oenologist son Bastien buy wines in their raw, fermented state. Top quality ingredients are essential and critical to Michel's and Bastien's work is the building of long-term, mutually beneficial relationships with a network of producers, who own specific, top quality parcels, almost always of low-yielding old vines. They know by heart both the vineyards and the specific parcels within, which are of interest to them. The resulting wines generally undergo malolactic fermentation overseen by Michel and Bastien as are both the maturation and the blending. The naturally-restricted volumes result in increased complexity and intensity - world-class wines which thoroughly deserve their international acclaim.

RHÔNE

Domaine Gourt de Mautens

Exclusive

Several generations of Jérôme Bressy's family had cultivated vines here but sold their grapes to the local co-operative. In 1989, Jérôme's father Yves made a life-changing step, converting his vineyard holdings to organic farming - a massive investment given that he would continue selling to the co-op, with no premium. His extraordinary prescience delivered a healthy, balanced vineyard to Jérôme, the first member of this family of viticulturists to study winemaking.

The winery is now certified organic and biodynamic. Jérôme is very particular about his wines' style and, with changes to the appellation laws, his vision was at odds with the prescribed varietals allowed. Faced with turning his back on his own style or accepting he could not have Rasteau emblazoned on his labels, he elected the latter course. The wines come from within Rasteau but are declassified in order to accommodate his preferred blends.

A miniscule estate of less than five hectares tracing its origins back to 1405. Jean-Claude, the descendant of the first owner, learned winemaking with his friends Jacques Reynaud and Henri Bonneau, who helped him with his first few vintages. He kept the traditional methods of his ancestors and taught them to his daughter Audrey, who now oversees the domaine. Located on the characteristic galet stone soils, the vineyards are divided into nine parcels with rich biodiversity. At Banneret, farming is organic. Nothing is done in a modern way: the wines are still bottled mainly by pipette and the labels are affixed by hand.

Since its birth in Montigny-lès-Arsures in 2012, Domaine du Pélican has rapidly established itself as one of Jura's leading lights, producing exceptional biodynamic wines that mix finesse with thrilling Jurassien character. Struck by its quality, Guillaume was taken a back to discover the wine was not from Meursault, let alone anywhere in the Côte d'Or.

VENETO**Cecilia Beretta****Exclusive**

The Cecilia Beretta estate was founded in the 1980s, just to the east of the famous wine village of Valpolicella. It was named after the 17th century agronomist and poet Count Giuseppe Beretta, who built the beautiful Villa in Mizzole in the heart of the estate, now surrounded by vineyards. The local Pasqua family had owned the surrounding vineyards since the 1940s, but a renewed drive for quality and a concentration on modern oenological technologies became a priority in the 1980s with competition from the 'New World'; traditional winemaking countries like Italy were forced to up their game. Thus the quality-focused Cecilia Beretta winery was born. Today it is Carlo's daughter Cecilia (most appropriately named!) who is global ambassador for the Cecilia Beretta estate and wines.

Third generation Roberto Conterno, now at the helm, has a palpable love and profound respect for his inherited terroir. In 1974, Giovanni Conterno, Roberto's late father undertook the fortuitous and massively courageous investment in the fourteen-hectare monopole of Cascina Francia, in Serralunga d'Alba. At 400 metres above sea level, there are fourteen hectares here, 4.6ha of seriously good Barbera and 9.4ha of Nebbiolo (think outstanding Barolo) - a fabulous site. In 2008, Roberto stamped his imprint on the family history, acquiring 3h of Cerretta, 1ha of very lovely, forward Barbera and 2ha of nebbiolo (Barolo!), inspired by the possibilities of an entirely different terroir. Then, in 2015, he added the stunning, highly prized 9 hectare vineyard Arione, next to Cascina Francia, to the family holdings.

Nervi

The history of Azienda Vitivinicola Nervi dates back more than 100 years. Torre della Castelle, that still stands prominently above the town, was built to guard the vineyards. The Valferana vineyard, more about which below, can be traced back to 1242 in Gattinara's municipal deeds.

A series of seismic events has given the area of Gattinara a unique soil structure. 280 million years ago, volcanic rocks were created when the Valsesia super-volcano erupted. There are currently 28 hectares (ha) under vine, across four plots: Molsino, Valferana, Garavoglie and Casaccie. Pruning and harvesting at all sites is carried out by hand. Enrico Fileppo is the chief oenologist and has been with the winery since 1983. Roberto is now incredibly hands-on here, as one would expect.

Serradenari, the crest of Barolo, presents views over almost all of Barolo, the vines surrounded by prolific truffle forests. Giulia pays tribute to her beloved Burgundy, planting Chardonnay and Pinot Noir near the forest. Nebbiolo inhabits warmer, sandy soils producing Barolo which Giulia views as a work of art, a “flagship in the winemaking world”. Tenuta di Trinoro

Exclusive

Tenuta di Trinoro, in the south of Tuscany, is the brainchild of Andrea Franchetti. In his early years, Andrea had fallen in love with the wines and modus operandi of Bordeaux and there he learned of the importance of terroir. The understanding of Bordeaux which led him to start a vineyard from nothing but scrubby woodland in the Val d'Orcia, Southern Tuscany. There were no access roads and certainly no vines but that all seems to have had little bearing on Andrea's determination to produce wine on this site, from scratch, from Bordeaux varietals, in the main. Andrea knew instinctively that Trinoro would be a fabulous site both in its geographical positioning and in its soil, which is rich in marine deposits and, under his stewardship, so it has proved.

The first vinification in 2012, entirely home made, revealed from the start a wine of great character and potential. In 2013 the Vini Franchetti SRL partnership was formed and the wine making transferred to Tenuta di Trinoro under the supervision of Andrea Franchetti. In 2021 the original farmhouse and winery undergo restoration and production is planned to return home on the estate at San Casciano under the supervision of Carlo Franchetti with the assistance of oenologist Gianluca Colombo. The name SANCABA is an acronym invented by Carlo Franchetti as a tribute to the town of San Casciano dei Bagni.

Tenuta di Biserno

It is impossible to separate the Biserno Estate from the man whose inspiration lies behind it, Marchese Lodovico Antinori, original founder of the Ornellaia estate.

Tenuta di Biserno is a 90-hectare estate situated in coastal western Tuscany, hidden amongst the hills of Bibbona in the Upper Maremma. The beautiful sweeping views across to the Tyrrhenian Sea, towards Corsica, are a constant reminder of its moderating coastal influence. The mineral rich soil of the Bibbona vineyards is planted exclusively, at Marchese Lodovico's behest, with well-suited Bordeaux varietals, producing three wines, Il Pino di Biserno, the eponymous Biserno and, very rarely, Lodovico.

Ipsus

Exclusive

Ipsus is coming from a single estate, planted only in Sangiovese. The vineyard is in Il Caggio, a localita, in the Chianti Classico hills. There are 6 plots, for a small 6.5 ha of vines, around the top of the hill, surrounded by Tuscan forest and wild life. In 2006, the Mazzei family purchased a property of 150 ha in the hills of Chianti, in the hamlet of Castellina in Chianti. They were interested by the 50 ha of vines within the land. Previously the grapes coming from these vineyards, were sold to a leading Tuscany producer, to be blended with its own crop. But, to the Mazzei and particularly to Giovanni, son of the current CEO of the family business and 25th generation, the vines had superb potential.

Ridolfi

Exclusive

The estate's history traces back to 1290. Three Ridolfi families stem from an ancient Tuscan lineage. One of these – the Ridolfi of Borgo – originated the Sienese branch called "dalla Contrada". That is the Ridolfi family that gives their name and crest to this estate in Montalcino.

The estate was bought in 2011 by Giuseppe Valter Peretti, owner of the Rocchetto estate in Larciano in Chianti, about twenty kilometres south of Pistoia. 2014 Gianni Maccari joined as winemaker after a long time (14 years) working at the esteemed Poggio di Sotto. He is now joined by his son Filippo who has just finished his winemaking and vineyard studies. 2021 this estate was named by the Gambero Rosso as one of Italy's "up and coming estates".

Il Marroneto

Exclusive

The Il Marroneto name comes from the old chestnut dryer on the estate that was used by the nuns of the Madonna della Grazie Covent.

Mario Cortesio and his friend Giulio Gambelli, 'THE' two references in all things Sangiovese were very much at the inception of this wine story. They strongly advised Giuseppe and his son Alessandro to make wine at their country house having seen the potential of the vineyard. Il Marroneto is owned and is run by Alessandro Mori. The first vintage of Il Marroneto was bottled in 1976, Alessandro became the winemaker in charge in 1994. The winery is bordering the town walls of Montalcino, up on the hill at some 400m of altitude. There is a stunning view on the valley. There is just shy of 6ha of vineyards, in 3 locations.

Tenuta di Passopisciaro

Exclusive

Tenuta di Passopisciaro is under the control of Andrea Franchetti, an iconic producer, was first known for his Tuscan wine Tenuta di Trinoro.

At Trinoro, he created a vineyard, essentially from scratch, clearing rough woodland terracing and planting it – the entire works. Here, on Etna, his task has been more about resurrection rather than creation, bringing long-since abandoned vineyards back into production and, these vines are planted on the slopes of a very clearly live volcano! This strangely beautiful, totally arresting terroir presents a unique palette of aromatics to the winemaker.

SPAIN**RIOJA****Artadi****Exclusive**

Based in Laguardia, in Rioja Alavesa, Artadi has in recent years cemented its role in the region as a pioneer, leading the push for recognition of a concept of terroir. Artadi has come a long way since its establishment in 1985 by a group of 13 local vine growers as a cooperative. Artadi stands for respect for the region's traditions, both human and natural.

Artadi chose to leave the Rioja appellation in 2015. The single vineyard wines it has since released have made the case eloquently for the nuances which make up this highly intricate region. This rebellion against the local regulator is borne from a desire to showcase the region's typicity to best effect, unhampered by red tape and the marketing concerns of larger producers.

RIBERA DEL DUERO**Dominio de Pingus****Exclusive**

The pioneering estate from Danish-born, Bordeaux-trained Peter Sisseck. Dispatched to Spain in 1990, to the then obscure area, Ribera del Duero, he began work on a short-term project which, subsequently, enjoyed much praise – Hacienda Monasterio. A victim of his own success, Peter found himself in total charge. Hacienda Monasterio established, Peter Sisseck started to get very twitchy. Instinct, born of his Bordeaux experience, called him to seek another challenge. He sought out parcels of ancient vines, on perfectly exposed terroir, which he instinctively knew would produce something exciting, if in small quantities. The stage was set for the arrival of Pingus – a trailblazer which had the world at its feet from the outset.

AUSTRALIA**ADELAIDE HILLS****The Lane Vineyards****Exclusive**

Set 450m high in the Adelaide Hills in South Australia, this boutique winery is the brainchild of well-known Aussie winemaker John Edwards. His long-held dream was to produce Australian wines with true elegance with the refined structure of Old World classics. The Lane vineyards are often 4 degrees cooler and, crucially, night-time temperatures can be even fresher. John Edwards' son Marty, a viticulturist has been managing The Lane since 2001. He has carried out extensive vineyard mapping to analyse soil types and structures, matching grape varieties to individual plots. Meticulous vineyard husbandry, traditional and modern winemaking techniques, experimentation with yeasts, fine lees and use of old and new French oak all play their part in creating wine quality. There are truly stunning, focused wines from an estate we believe to be one of Australia's future icons.

Elephant Hill is a leading light of the Hawke's Bay, forging a reputation for distinctive wines of timeless style and quality. Devotees of the Old World, this estate is one to watch. The story of Elephant Hill began in 2001, not with an elephant (though the founder's love of elephants inspired the name) but with a Jaguar – of the motoring kind.

Head Winemaker Steve Skinner and his team are renowned for their meticulous viticulture and winemaking, combining time-honoured methods and innovative technology. With vineyards in three contrasting sub-regions - coastal Te Awanga, Bridge Pa and the inland Gimblett Gravels – the team enjoys unrivalled access to grapes with distinctive personalities. MARLBOROUGH**Eradus****Exclusive**

Har and Sophie Eradus emigrated from Holland to New Zealand in 1982, and decided to make wine on their retirement, some 20 years later. They looked around, found and bought what was to become the Eradus vineyard. Today there are twelve hectares of mainly Sauvignon Blanc and Pinot Noir vineyards, the most impressive of which are planted on undulating, stony terraces along the Awatere river valley. Closer to the ocean than much of the Marlborough wine region, the Awatere's warm days, cool nights and dry, sunny climate are key to the luminous flavour intensity, elegant minerality and fresh acidities of Eradus' distinctive wines. The Eradus estate is now run by son Michiel, whose affable, easy-going demeanour belies a fierce perfectionist focused on pushing every boundary in pursuit of quality and balance – the Eradus mantra.

ARGENTINA**MENDOZA****Achaval-Ferrer**

Achaval Ferrer was founded by a group of Argentinian and Italian friends who loved wine and were determined to produce something outstanding – an aim encouraged by celebrated Italian oenologist Roberto Cipresso, one of the founding team. From the outset, the friends' ambition was decisive and bold; they would make a world-class wine in Argentina, in high altitude Mendoza.

The wines of Achaval Ferrer will continue to come from the same excruciatingly low-yielding, high altitude sites and from ancient, un-grafted vines. The goals are to achieve absolute quality, create a very pure expression of Malbec, and ensure vibrancy and freshness across all of the wines.

Set up in 1998, Ruca Malen is the brainchild of Jean-Pierre Thibaud and Jacques-Louis de Montalembert. Friends and business partners who shared a love of wine and the wine trade, De Montalembert had worked extensively in Burgundy, while Thibaud was for years chairman of Bodegas Chandon in Argentina. Now retired, they have passed the reins to a long-standing team, who continue to uphold their values, producing high-quality still and sparkling wines in Mendoza.

The majority of Ruca Malen's vineyards are located in the Uco Valley's 'golden triangle' and the Luján de Cuyo areas. Planted 800-1,100m above sea level, the vines benefit from high-altitude UV light, held to promote the wines' unique fruit character, colour and structure. At the same time, cool night-time temperatures and a long, warm season prolong the ripening process, preserving fresh acidities and concentrating flavour.
